Hiya Rich.

Attached are the briefing materials I put together for the TCT. My plan is to get Chip to send them out by the end of the day today so the partners can have a little time with them before the meeting on Jan 23rd. Then I can talk everyone through them at the meeting and answer any questions they might have. Do you have any input you'd like me to include or a hankering to present any of the info? If you can let me know today (we are closed for a furlough day tomorrow), that would be great! If not, maybe you and Chip can coordinate and send 'em out?

THANKS!
